i count about 43 people. my platoon in 1st ranger battalion was 36, plus the 1sgt and PL. so there is one platoon there, with a handful of people to stay in the rear with the gear.

So a method from my festival days was to have a system to let others know glowies are around. At a rainbow gathering (shudders) they had several federal and state and local LE all through their chosen spot and when one was walking by and someone noticed they would yell out something like “six up!” When state police are around, and “7 down” when feds were around so everyone has some casual situational awareness.

A similar method to combat agent provocateurs could be used on the six

Six up, rainbow gatherings, are you me from 18 years ago?

I used to make the pig call, suuu-wiiii! Shit made em look everytime!

They would also send in their kids to "fit in better."

Welcome the FBI glowies, Give them a flag to wave and politely shut down all exhortations to violence and other illegal activity and we'll be fine.

You're sure as hell not going to weed them out, we're just a bunch of mostly naive, well intentioned civilians, we're not trained cells of intel operatives who can smell a mole from a mile away.

The smaller and more localized the group, the easier it is to know who doesn't belong. Then, you combine those localized groups. It has to all be from the smallest level on up.

Hypothetically, if they get tortured, photoID for facial recognitions, extracting their families and friends info are doable. If they retaliate later, executions. They can't be everywhere. They are also no where as good as SS. So they doing anything stupid means extreme grief later. Have you seen those FBI knelt to Antifa/BLM photos? FBIs are pussies.

Take a group of pedes with you ! How to get on Matrix server to organize ( rides & convoys ) & share with others: (Meme picture) <https://thedonald.win/p/11R4zR40FU/regroup---are-over-target--/c/> (Video)

This info will help you to organize more Texas patriots that will be making the trip to DC. There are caravans that are being planned not only in Texas, but from all over the country. Let me know if you have questions.

By luck. Me and wife took it upon ourselves to get some neighbors together and wave our Trump flags outside our city hall on Election Day and met someone from this group who stopped and joined our flag drop. He told us about an upcoming drag the highway meet up that next Sunday. We went and met people from this group and drove up to Oklahoma in a large caravan. Couple weeks later we drove down to Austin to Stop the Steal protest at the capital. Now we organized a group to DC. CRAZY!

Some friends and I really want to go and represent our state and city. Only problem is funds. Does anyone know or can suggest where we could possibly go to get donations? It would not take much. Maybe a grand for all of us. Thanks.
